Lawnbrook Estate is not only our business, but also our home and a working vineyard/distillery. Please supervise children **at all times** and respect our home and garden as Private Property. The creek is unfenced – please be careful during winter months!

Please do not pick fruit from our trees. If you wish to pick fruit we can recommend local orchards that allow this.

Due to various hazards on our property, the area behind the restaurant and beyond the wood pile under the big tree are out of bounds.

We are a no smoking/vaping venue. Please do this out near the carpark if you need to and take butts with you. Thank you for your understanding.

Dogs are not permitted regardless of size and age.
